

What it contains and who it can help :

- This application is for those who love to write, collaborate or continue someone's work and one who loves to read.
- This app might be beneficial for those who want to start writing or want to be consistent at writing by participating in the contests.

The link of high fidelity prototyping of the app is as below :

<https://www.figma.com/proto/eigraSfHybQCi5dEEB00Ef/WOC-5.0-writer?node-id=5%3A5&scaling=scale-down&page-id=0%3A1&starting-point-node-id=5%3A5&show-prototype-sidebar=1>

What it can include in future :

- This app might include publish content or earn by views option in further course.
- It may also consider some library features and streak as well as tips for writing in due process.
- Also personalized writing (i.e. writing story with plot description, character intro and chapter wise book.) Can also be considered in future.
